Start

Does the chemical pose an acute hazard to human health when spilled or discharged? Yes/No

Do you have the proper protective equipment (i.e. goggles, gloves) to handle the spill? Yes/No

Does the spill cleanup require respiratory protection? Yes/No

Are you in the REHS Respiratory Program? Yes/No

Notify all personnel to evacuate the area. This can be done verbally and/or by pulling the fire alarms. Contact University Police (at 911) once you are safely out of the building.

Clean the spill and notify REHS (445-2550) for proper disposal.

Contact University Police at 911 and REHS at 445-2550.
